

REMARKS

Applicants request entry and consideration of this Preliminary Amendment. Claims 4-7 are pending, with claims 4 and 7 being written in independent form.

Independent claims 4 and 7 recite (among other things) that the stripe patterns (for each of the at least three colors) have different periodicity in a video frame. Support for this feature can be found at page 5 (lines 19-22) of the instant specification.

Applicants respectfully submit that none of the references asserted through out the protracted prosecution of this application teach or suggest the "different periodicity" feature recited in claims 4 and 7.

CONCLUSION

Applicants earnestly request reconsideration and allowance of all pending claims.

Should there be any matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number of the undersigned below

The Commissioner is authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C
